# SENIOR ACTIVITIES

With a waterfall for a background, and a nice warm fire for heat, a tired, but hungry group stops to rest.

My, but you look tired! Don't tell me that you've been gone all day!

Three of our fine senior boys look as though the day's activities have been too much for them.

Good heavens! Who's Who? I recognize Fes Cannady, but who are the others? Your guess is as good as mine!

# Features

Throughout our high school years, the things that stand out most clearly are our social functions and our clubs--No one will ever forget the plays and other times that highlight our four years of high school.

"Aunt Pricilla is on the verge of rushing down here to investigate Deliah's ghosts!"

# hobgoblin house

"Wot d'you mean gettin' in my way when I feels like runnin'?"

"I don't want to stay another minute in this gloomy old barn."
